Dear colleague,

From the Faculty of Sport Sciences - University of Granada, we want to make sure that the student Mr/Mrs _____ has achieved the best mark in your subject titled _____ to be awarded in this Faculty as "Excellence with Honors".

The Spanish academic system only allows one "HONOR" for each 20 students (e.g. in a class of 40 students, just 2 awards would be possible). For this reason, and to follow a similar approach with our outgoing students, we need you to certify this mark by completing this short questionnaire.

Grateful for your help,
Vice-dean for Internationalization
Faculty of Sport Sciences - University of Granada
